

Surface Water Identification Request

Erosion Control Division
Orange County Planning & Inspection Department
131 W. Margaret Lane, Suite 200
Hillsborough, NC 27278

Date Requested: _____

Requested by:

Owner Agent Staff

Tract Information:

Parcel Identification Number: _____ Acreage: _____

Property Owner(s): _____ Watershed: _____

Location/Physical Address: _____

Number of Features to be Evaluated:

As of July 2, 2012, a fee is required for all SWIDs; please note that SWIDs are weather dependent and may be delayed due to weather conditions.

Owner/Agent Information:

Name: _____ Phone: _____

Email: _____

Mailing Address: _____

For faster service, please provide a valid email address

Authorization:

I, (print name) _____ As owner of the property described above, or as a legally authorized representative of the owner, do hereby convey permission to Orange County Planning and Inspections Staff to enter the property at their convenience to conduct a surface water identification (SWID) necessary to determine whether or not water features on my property are subject to the stream buffer regulations described in Section 6.13 of the Orange County Unified Development Ordinance. This SWID may be necessary to facilitate the approval of my proposed subdivision, or to determine whether or not the property may support a proposed improvement. This SWID will be public record, and may be requested in the future for review by parties interested in the property.

Erosion Control, Stormwater and Engineering Fees 2021
Effective July 1, 2021, the following fees shall apply:

Erosion Control Plan Review Fees	
Residential / Non-residential land disturbance less than 1 acre (43,560 sq. ft.)	\$125 (flat fee)
Residential land disturbance greater than 1 acre (43,560 sq. ft.)	\$150 per disturbed acre (or fraction thereof)
Non-residential land disturbance greater than 1 acre (43,560 sq. ft.) and/or residential disturbance greater than 25 acres	\$300 per disturbed acre (or fraction thereof)
** PLAN REVISIONS: Applicants proposing increases in the acreage of disturbance where an erosion and sedimentation control plan has already been approved, but where a Land Disturbing Permit (LDP) has not been issued, shall pay an additional \$150.00 per disturbed acre. **	
Land Disturbing (Grading) Permits (in addition to the above if applicable)	
Land disturbance less than 1 acre (43,560 sq. ft.)	\$300 (flat fee)
Land disturbance greater than 1 acre (43,560 sq. ft.) but less than 10 acres	\$300 per disturbed acre (or fraction thereof)
Land disturbance greater than 10 acres but less than 25 acres	\$600 per disturbed acre (or fraction thereof)
Land disturbance greater than 25 acres (not to exceed 150 acres)	\$900 per disturbed acre (or fraction thereof)
Un-scheduled Site Re-inspection ¹	\$200.00 per re-inspection

¹ Fee captures work directed from municipal jurisdictions under their delegated authority and/or re-inspection(s) after 3rd “Failed” and/or “Needs Maintenance” inspection item(s) from an inspection report have not been resolved.

Stormwater Management Plan Fees (in addition to the above if applicable)	
Stormwater Management Plan Review – Traditional Stormwater Control Measure (SCM)	\$500 per Stormwater Control Measure (SCM)
Stormwater Management Plan Review – Low Impact Development (LID) without Conservation Area Review	\$300 per plan
Stormwater Management Plan Review – Low Impact Development (LID) with Conservation Area Review	\$500 per plan
Re-Inspection of Stormwater Control Measure (SCM) associated with a failed SCM inspection report	1st inspection no fee \$250 per SCM inspection thereafter
Inspection of Stormwater Control Measure (SCM) associated with a Notice of Violation (NOV)	\$250 per SCM inspection
Recurring 5-Year Inspection of Stormwater Control Measure (SCM) ²	\$750 per SCM
Miscellaneous Fees	
Private Roads	\$155 per road
Conservation Area Document Review	\$200 per area
Surface Water Identification (SWID) Application and Field Work	Stream Origin and Intermittent/Perennial Stream Determinations 1-2 determinations/site \$300 3-6 determinations/site \$600 7-9 determinations/site \$1000 10-12 determinations/site \$1200 13-16 determinations/site \$1500 17-19 determinations/site \$2000
Stop Work Order (SWO) / Notice of Violation (NOV)	\$200 per order issued
Appeal of a Land Disturbing Permit (Grading Permit)	At cost for legal ad and notifications required to process if appealed to Public Hearing per UDO 2.26.8&9

² Includes \$125/year for the first four (4) annual inspection reviews, plus \$250 for physical 5-year inspection by ECS&E.
