I certify that to the best of my knowledge the information contained within this application package, and in the supporting documents, is a factual representation of the proposed development and includes all submittal information as documented within Section(s) 2.20 and 6.13 of the UDO.

I understand that no work of any kind shall commence until a Permit has been issued, that same may be revoked if any false or misleading statements are made herein and, if revoked, all work must cease until the Permit is re-issued.

I understand the proposed project may require additional Orange County permit applications/authorizations including, but not limited to: Zoning Compliance, Floodplain Development Permit, Erosion Control, etc. as well as authorization from external County agencies (i.e. Army Corps of Engineers) prior to the commencement of earth disturbing activity. Issuance of this permit **does not** exempt me from obtaining any and all other approvals.

Obtaining all required permits prior to the commencement of earth disturbing activities is the sole responsibility of the applicant who assumes liability for same.

Further I acknowledge that by signing this application, representatives of the Orange County Planning and Inspections Department are authorized, pursuant to N.C. Gen. Stat. Section 153A-360, to make as many inspections of the subject property as may be necessary to verify that the proposed work outlined herein is consistent with the provisions of all applicable State and local laws, ordinances and regulations. By signing this application, I acknowledge and agree that inspectors, zoning officers, erosion control officers, and other staff of the Orange County Planning & Inspections Department have a right, upon presentation of proper credentials, to enter the subject property at any reasonable hour for the purposes of inspection or other enforcement action.
