Orange County Inspections Division seeks to provide the highest quality customer service in order to ensure we all live, work and play in a safe community. If you agree that having your Building Safety Officials as partners in your efforts to build safe, efficient and affordable projects, we offer the **OPTION** for your Permitted project to be inspected by Orange County Inspections Division using the following ["Traditional"] list of Inspections:

Building Footing	Deck footing	Electrical Saw Service	Foundation projection
Foundation	Building Slab	Garage slab	Concrete Form
Plumbing slab	Mechanical Slab	Electrical Slab	Electrical trench
Plumbing trench	Mechanical trench	Gas line trench	Water-Proofing
Masonry Fireplace	Electrical Pool Bond	Building floor framing	Pre-brick/stone veneer
Brick lintel (bolted)	Trade Rough-in	Gas pressure test	Factory fireplace
Building Framing	Modular marriage-wall	NFPA 13D sprinkler	Geo-thermal test
Building Insulation	Pool Final	Electric change-of-service	Service relocation
Restore electrical power	Electrical temporary final,	Mechanical temporary final	Deck final
Plumbing final	Electrical final	Mechanical final	Building final

We assure that you will receive our quality customer service regarding these inspections (either OPTION). This list of inspections is the same ones that you are accustomed to scheduling from Orange County Inspections Division over the past 15 years. Only the inspections listed that are applicable to your specific project will be scheduled upon your request. We will identify, at plans review, which inspections would pertain to your project.

IF YOU DO NOT WISH THIS OPTION YOU NEED DO NOTHING AND THE REQUIRED 8 INSPECTIONS WILL BE USED FOR THIS PROJECT.

Please sign below if you are requesting Orange County Inspections Division to perform the applicable inspections from the list above for your project:
