- Staff proposing to add language that will specify termination in the case that a specific client incurs more than one Risk Mitigation payment to a landlord.

# Waitlist Preference discussion

- Must decide which categories we want to prioritize when selecting from waitlist.
- Starting point suggestion →

# Waitlist Pref., thoughts from May:

- Raise “Residency” to 50pts.? (Mahood)
- OK to weight FH categories below Residency, just FH categories must have equal wt.
- Raise “Inv. Displacement” to 15? (Sykes)
- Okay to set category for “Time on List” if we choose (would be effective after our initial selection this fall)
