

Have You or Your Loved One Experienced Substance Use Challenges?

Are You 65 or Older? Or a Caregiver to Someone Who Is?

We are seeking participants to help form an Advisory Committee that will guide the development of resources and support services for older adults and caregivers impacted by substance use. We need:

- Adults age 65+ with lived experience of substance use
- Caregivers of older adults who have struggled with substance use
- Individuals passionate about improving services and reducing stigma

You can contribute by:

- Sharing your voice and experiences
- Helping co-create meaningful resources that serve the community
- Informing strategies that better meet the needs of older adults
