CONSERVATION AGREEMENT DETAIL of VAD and EVAD:

Voluntary Agricultural District (VAD) conservation agreements are for a period of ten years. The landowner may revoke the agreement through a written request to the Orange County Agricultural Preservation Board. A Conservation Agreement for land within a Voluntary Agricultural District shall be automatically renewed for an additional term of ten years unless either the Agricultural Preservation Board or the landowner(s) gives written notice to the contrary prior to the termination date of the Conservation Agreement. At the end of each ten-year term, the Conservation Agreement shall automatically renew for an additional ten-year term unless notice of termination is given.

Enhanced Voluntary Agricultural District (EVAD) conservation agreements are for a period of ten years, but cannot be revoked during the term of the agreement. EVAD enrollment, however, offers landowners additional benefits such as a higher percentage of cost-share funds under the Agricultural Cost Share Program. A Conservation Agreement for an Enhanced Voluntary Agricultural District shall be deemed automatically renewed for an additional term of three years unless either the Agricultural Preservation Board or the landowner(s) gives written notice to the contrary prior to the termination date of the Conservation Agreement. At the end of each three-year term the Conservation Agreement shall automatically renew for an additional three-year term unless notice of termination is given.
